THE STORY OF

As seen on...

In March 2013, nightlife expert and host of Spike-TV's Bar Rescue, Jon Taffer, entered struggling Garner restaurant and bar, Characters Quarters. Taffer, along with Celebrity Chef Brian Duffy and renowned mixologist Russell Davis, transformed Characters Quarters into MoonRunners Saloon - a prohibition-era themed restaurant and bar with exciting menu items and specialty moonshine drinks. The process was filmed and shown to a national TV audience in the Season 3 episode of Bar Rescue 'Characters Assassination'.

The new prohibition motif has been a big hit in the area since it's launch. On one wall hangs a picture of an infamous moonshiner and native North Carolinian, the late Marvin "Popcorn" Sutton. In the corner are souvenir flasks and Mason jars with the restaurant's logo - all for sale. And a moonshine cask sits behind the bar, with sneaky design features such as hidden compartments for dispensing liquor that give the restaurant a speakeasy feel. MoonRunners Saloon is now recognized as THE place to go for moonshine and specialty moonshine-infused cocktails.

Jon Taffer has listed MoonRunners Saloon as one of his Top 10 Toughest Rescues and Bar Rescue and has since come back to Garner to film a new episode titled "Back to the Bar."
