

# Items we recycle.

We are always expanding the items we can process. If you do not see your items listed, please contact us to see if recycling or reuse is possible.

## Aggregates

Concrete  
Gravel

## Glass

Bottles & jars  
Broken glass

## Electronics

Audio tuners  
Camcorders  
Cameras  
Car stereos  
Cell phones  
Clocks  
Computer mice  
Computer monitors  
CPUs  
Disk drives  
DVD/VHS players  
Exit light batteries  
Game consoles  
Hard drives  
Keyboards  
Mainframe computers  
Modems  
Motherboards & RAM  
Photocopiers  
Printers  
Power supplies  
Power units  
Routers  
Scanners  
Scientific equipment  
Servers  
Speakers  
TVs  
Transformers  
Telecommunications equipment  
Video sound cards  
Watches

## Cardboard

Cardboard boxes  
Cardboard packaging  
Cardboard tubes  
Paper bags  
Pizza boxes (no pizza)  
Toilet paper rolls (empty)

## Newsprint

Flyer inserts  
Newspaper  
Magazines

## Paper Products

Coated paper  
Construction paper  
Envelopes – windows ok  
Junk mail  
Office paper  
Receipt paper  
Telephone books  
Tickets of any kind  
Tracing paper  
Wrapping paper

## Lighting Fixtures and Equipment

Ballasts (non-PCB bearing)  
Bike lights  
Ceiling fixtures  
Chandeliers  
Desk lamps  
Flashlights  
Floor lamps  
Fluorescent lamps (all shapes and sizes)  
Light strings (ie. Xmas lights)  
Outdoor fixtures  
Outdoor work lights  
Pot lights – recessed  
Security lights  
Street lamps – municipal

## Lighting and Bulbs

Christmas light bulbs  
Compact Fluorescent Lamps (CFLs)  
Halogen  
High Intensity Discharge (HID)  
Incandescent  
Light Emitting Diodes (LED)  
Mercury arc lamps  
Ultra High Performance (UHP)  
UV and Germicidal lamps

## Tools

### (handheld, gas and electric)

Aerators  
Brush cutters  
Chainsaws  
Garden shears  
Ice drills  
Insect foggers  
Lawn blowers  
Lawn cultivators  
Lawn dethatchers  
Lawn mowers  
Lawn scarifiers  
Lawn tractors  
Lawn vacuums  
Loppers  
Pole chainsaws  
Pole saw  
Post hole diggers  
Pressure washers  
Pruning saws  
Snow blowers  
Sprayer foggers  
Stick edgers  
Tillers  
Trimmers  
Wood chippers  
Wood shredders  
Wood splitters

## Scrap Metal

Aluminum foil & pie pans  
Bathtubs  
Cabinets  
Cans/tins & lids – food (clean)  
Car parts (no liquids)  
Christmas lights  
Displays  
Door handles & hinges  
Dumbbell/barbell weights  
Electrical cords  
Electrical wire  
Extension cords  
Faucets  
Filing cabinets  
Furniture (plastic webbing removed)  
Hand tools  
Hangers  
Keys  
Locks  
Nails, screws, nuts & bolts  
Paint cans (remove excess paint, let residue dry)  
Pipe  
Pots & pans  
Rulers  
Safes  
Shelving tracking  
Sinks  
Staplers  
Studs  
Utensils

## Batteries

Alkaline: AA, AAA, DD, 9V, 12V  
Sealed Lead Acid – Car  
Rechargeable: Li, NiMH, NiCad, Li-Ion

# Items we recycle (cont'd).

## Large Appliances

Air conditioning units  
 BBQs (no coals)  
 Dishwashers  
 Dryers  
 Freezers  
 Furnaces  
 Hood vents  
 Hot water tanks  
 Refrigerators  
 Stoves  
 Washers

## Small Appliances

Blenders  
 Irons  
 Fans  
 Food processors  
 Hair dryers  
 Heaters  
 Kitchen appliances  
 Microwaves  
 Power tools  
 Toasters  
 Vacuum cleaners

## Plastics

Beverage bottles  
 Cosmetic/toiletry containers  
 Microwave food trays  
 Vitamin bottles

## Plastics

Bleach/detergent bottles  
 Buckets/pails (1-5 gal.)  
 Drums - food grade  
 Food containers  
 Milk jugs  
 Plastic crates

## Plastics

6/8-pack can ring holders  
 Bread bags  
 Dry cleaning bags  
 Fertilizer bags  
 Freezer food bags  
 Garbage bags  
 Garment bags (clear)  
 Shopping bags  
 Stretch wrap/film wrapping

## Plastics

Bottle crates  
 Coat hangers  
 Container lids (coffee, yogurt, peanut butter)  
 Crate packaging  
 Plastic jars & lids

## Plastics

Coat hangers  
 Pallets  
 PPE (Nitrile): apron/gloves/hairnet/masks

## Other Plastics

Acrylic  
 Coat hangers  
 CDs/DVDs  
 CD cases  
 Plexiglass  
 Polycarbonate

## Miscellaneous Items

Books - hard and soft covers  
 Box springs  
 Coat hangers (metal & plastic)  
 Drywall  
 Hay bales  
 Ink & toner cartridges  
 Mattresses  
 Paint - Latex and Oil  
 Sternos w/ OR w/o fuel  
 Styrofoam (white packaging only)  
 Tires  
 Utensils & food containers (lightly soiled)  
 Wood pallets  
 Wood (clean/untreated)

# Items for Reuse - Good Condition Only!

- ✓ Carpet
- ✓ Displays (metal/wood/plastic)
- ✓ Office chairs
- ✓ Office desks (metal/wood)
- ✓ Office Furniture
- ✓ Office partitions
- ✓ Plastic pallets
- ✓ Plywood
- ✓ Stage props
- ✓ Store mannequins
- ✓ Textiles
- ✓ Underlay

## Recyclability and Contamination

We have a 5% by-volume threshold contamination rate. Anything above 5% will be reviewed and actions will need to be taken to correct this deficiency to maintain a clean material stream for the highest and best use of the material. All plastic and paper must be free of food contamination for proper recycling.

RMC consists of all metal and plastics on our lists of acceptable items, except Styrofoam and soft LDPE bags. All Fibers on our list can be mixed for a low-grade fiber collection program.

Miscellaneous Items need to be collected separately.

Items that contain hazardous liquid waste or bio-hazardous waste of any kind are strictly not allowed. This includes but is not limited to containers that contain motor oil, bodily fluids, pesticides, hydraulic fluid, etc.

It is not always possible to tell the recyclability of some items or the exact end market of materials after sent to a processor regardless of their recycling code due to its complicated chain of custody or fluctuations in end markets. Items most at risk include but are not limited to:

- Ink & toner cartridges
- Materials that are combined
- All categories of plastic
- Wood
