

Mauka Digital Wins Prestigious Web Excellence Award for Customer Brand Development Portfolio

FOR IMMEDIATE RELEASE: 08/23/2024

Honolulu, HI - Mauka Digital, your full-service digital marketing and technology agency, proudly announces that it has been honored with another Web Excellence Award for its exceptional customer brand development portfolio. This recognition underscores Mauka Digital's unwavering commitment to innovation, creativity, and delivering custom solutions that elevate their clients' brands.

"We are thrilled and honored to have Mauka Digital's work acknowledged with this award," said Sofi G., Designer at Mauka Digital. "It's truly rewarding to see our team's commitment and enthusiasm recognized in this way, reflecting the exceptional clients we feature. We can't wait to celebrate this achievement!"

Mauka Digital's award-winning portfolio showcases a comprehensive approach to brand development, highlighting their expertise in transforming concepts into champion brands. The portfolio includes:

- **Logo Design:** Creating distinctive logos that make lasting impressions.
- **Brand Collateral:** Designing cohesive business cards, digital ads, flyers, and other materials that tell a coherent visual story.
- **Signage:** Crafting elegant signage that offers memorable and inviting first physical interactions with the brand.
- **Websites:** Developing user-friendly, aesthetically pleasing, and informative websites that mirror the physical brand experience.

The portfolio demonstrates innovative use of color and design, setting new standards in branding excellence. To view more about the award, visit, <https://maukadigital.com/about-us>.
