About All Things Are Possible Foundation: For more than 17 years, ATAP, a 501c3 nonprofit organization, has offered life-changing, developmental programs that uplift and empower students to attain greatness. Our mission is to empower youth and to enhance the community through academics, athletics, arts, and awareness in response to critical youth and community

needs. ATAP Co-founder and CEO Dr. Tiffani Worthy is a Willingboro resident, and business and community leader. She is a West Point graduate and decorated combat Veteran who earned a doctorate in education. As a working mother, she was disappointed in the limited choices for academic enrichment and afterschool programs and developed ATAP's fun learning curriculum to help youth and teens discover what's possible.
