About ATAP Foundation:

For more than 17 years, All Things Are Possible (ATAP) Foundation, a 501(c)(3) nonprofit, has been redefining what opportunity looks like for young people. Through innovative programs that blend academics, athletics, arts, and real-world exposure, ATAP equips students with the skills, confidence, and vision to achieve beyond their circumstances.

Founded by Dr. Tiffani Worthy, a Willingboro resident and community leader, West Point graduate, and decorated combat veteran, ATAP was built on a simple but powerful belief: potential is universal, but access is not. Alongside her husband, Dr. Carlos Worthy, she has developed an engaging, high-impact curriculum that helps youth and teens discover their strengths and step boldly into their future.

ATAP is not just preparing students for what’s next; it’s helping them realize what’s possible. Learn more at atapfoundation.org.
