Pendulum Gallery hosts a Sneak Peek of Art Vancouver. The exhibition will be a preview of some of the outstanding artists who will be taking part at Western Canada's Premier Art Fair, April 16-19, at the Vancouver Convention Centre. Designed to be an immersive show with a welcoming environment, Art Vancouver attracts first-time buyers as well as experienced collectors, and gives attendees the opportunity to meet and mingle with their favourite artists and creative professionals.

Art Vancouver is an excellent venue for local and Canadian artists and galleries to present their work to a diverse and engaged audience; it also brings global attention to the vibrant art scene in Vancouver. Now in its sixth year, the event incorporates the mission of promoting inclusivity and diversity, and operates under the theme of "Uniting Nations through Art." As well as local and regional artists, Art Vancouver will be showcasing artists and galleries from over 15 different countries, including the United States, Argentina, Cuba, Ghana, Hong Kong, Kenya, Mexico, Nigeria, Singapore, Spain, South Korea, Taiwan, the United Arab Emirates and the United Kingdom.

The Vancouver International Art Fair is a four-day event held April 16–19 at the Vancouver Convention Centre. More than 100 artists will display over 1,200 pieces of artwork, with over 10,000 people expected to attend. The art fair also includes an extensive program including the Speaker Series and panel talk, art demonstrations, guided tours and art classes.
